

# Spring Decluttering Checklist

## Your Fresh Start Game Plan

### General Home Kickoff

- Purge Expired Pantry Items  
*Why:* Clear out expired goods to free up space and make meal prep a breeze.
- Sort Mail & Paper Piles  
*Why:* Say goodbye to that teetering stack of bills and junk mail—it's stealing your countertop peace.
- Tackle One Junk Drawer  
*Why:* Every home has that chaos drawer—taming it feels like a mini victory!

### Closet Refresh

- Ditch 5 Outdated Pieces  
*Why:* Those skinny jeans from 2010 may or may not be coming back—and that's okay. Free your closet for what fits *now*.
- Swap Winter for Spring Gear  
*Why:* Bulky coats are hogging space—make room for breezy layers!
- Organize Shoes  
*Why:* A shoe pile by the door screams chaos—give your faves a proper spot.

### Kitchen Cleanse

- Clear Out Fridge & Freezer feels like a reset.  
*Why:* Mystery leftovers and freezer-burned bags? Gross. A clean fridge feels like a reset.
- Declutter One Cabinet  
*Why:* Chipped mugs and extra Tupperware lids are cramping your style.
- Wipe Down Appliances  
*Why:* Sticky toaster crumbs don't scream "spring fresh"—a quick shine does!

### Living Spaces Lift

- Purge Old Magazines & Books  
*Why:* That stack of 2022 travel mags isn't inspiring—it's collecting dust.
- Refresh Throw Pillows & Blankets  
*Why:* Faded or fuzzy blankets drag down your vibe—swap for spring-ready textiles.
- Dust Hidden Corners  
*Why:* Behind the TV, under the couch—those sneaky spots need love too!

### Garage & Outdoor Prep

- Sort Gardening Tools  
*Why:* Rusty shovels and tangled hoses? Time to gear up for spring planting.
- Declutter Patio Furniture  
*Why:* A cluttered deck kills outdoor vibes—make it a hangout spot again.
- Bin Winter Gear  
*Why:* Sleds and snow shovels can hibernate—spring's for bikes and BBQs!

### Kid & Family Zone

- Purge Outgrown Toys  
*Why:* That toy they've ignored for months? It's ready for a new home.
- Reset the Drop Zone  
*Why:* Backpacks and shoes everywhere = instant chaos. A tidy entry sets the tone.
- Sort School Supplies  
*Why:* Broken crayons and dried-out markers? Spring's a fresh start for creativity.
